WHAT IS CAMERYN'S CAUSE?

Cameryn's Cause for Kids Society is a registered, incorporated non-profit society within the Province of British Columbia. We provide financial assistance to Campbell River families when they have a child facing a life-threatening or acute illness or injury. The society also pays for funeral costs in the event of a child's death.

Cameryn's Cause is an organization a family can rely on to help ease some of their financial concerns during a child's health crisis. We provide funds to cover travel costs, accommodations away from home, emergency medicine, life-enhancing medical equipment and other expenses that are needed to help keep a parent at their child's side-where they belong.

Since its creation in 2007, Cameryn's Cause has helped approximately 425 Campbell River families. Families with premature infants, children with cancer, children having heart, brain and kidney surgeries, children injured in accidents and children needing acute mental health treatment are just a few of the situations we've been able to assist with. We've also helped 12 families with funeral costs for their children.

Our organization relies heavily on the support of our community. We believe that children and families can heal best when they feel supported and connected with the community.

When you support Cameryn's Cause you are making a difference to families right here, in your own town during the most challenging time of their lives.

ABOUT THE FUNDRAISER

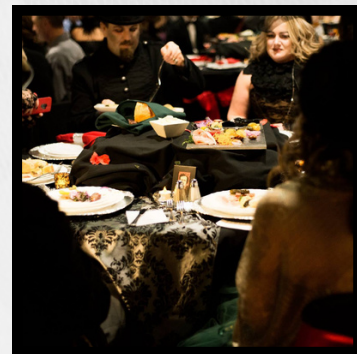

The Boots and Bling Ball will be the largest fundraiser of the year for Cameryn's Cause. The formal event raises the majority of our funds for the year that will go towards providing financial support and comfort to families during the chaotic time of having a sick child.

The event will feature a "Chuckwagon" themed dinner by "More Eatery," live and silent auctions, games and prizes as well as live music and dancing. We are asking the community to support the event by making a sponsorship or donating an item or package to the auction.

Donating a raffle or auction prize is a great way to contribute to the success of this event.

If you don't have an item to donate, our "Raffle/Auction Made Easy" option is a great way to participate. You can choose an amount to donate and we will find an item for the value you choose and include it in the raffle or auction. Your business name will be displayed on the auction card or raffle table and in the table booklets as an event sponsor.
